

Central Coast Middle School Regional Science Bowl Volunteers Needed!

The makers of the GATE Olympics are bringing to the Central Coast the second Regional Middle School Science Bowl, and we need *your* help!

This exciting math and science competition involves middle schools from throughout our region (San Luis Obispo, Santa Barbara, Kern, Monterey, and San Diego Counties). The winning team receives an expense- paid trip to Washington, D.C. to compete in the National Science Bowl! This is an amazing contest that gets students excited about math and science and encourages them to seek jobs in these fields.

We need *your* help to put on this event. We need volunteers to work on registration before the competition begins, prepare and serve a simple lunch and snacks, or read science questions to competing teams. Timers, score keepers, and runners are also needed. Math or science background is required for readers/ moderators, but not for other roles! Lunch will be provided.

Volunteers must attend a training session. Choose either Wednesday January 28, 7:15- 8:30PM or Sunday February 22, 2015 from 2-3:30PM in the Arroyo Grande High School room 205. The Science Bowl event runs 9AM to 4PM on Saturday February 28, 2015. Most of the need is between 9 and 2.

If you are interested in volunteering or have any questions, please contact:

Regional Coordinator: Kathleen Schwind

E-Mail Address: gateolympics@lmusd.org

Mailing Address: 1545 Old Oak Park Road

Arroyo Grande, CA 93420
