

## Christmas 2013

### Jamie and Lynn Foster

May we share with you these highlights of our activities this past year?! If you would like to see all the photos, email us at [pbjrr@jf2.com](mailto:pbjrr@jf2.com) or [1nana.foster@gmail.com](mailto:1nana.foster@gmail.com). Or, you can always check out this page of links: <http://jf2.com/lynx/> Merry Christmas and Happy New Year!

## January 2013

It was a relatively quiet month, which everyone appreciated. The big outing was a trip to the Oceano Depot where the twins got their first look at "serious" model railroading.

## February 2013

We celebrated the twins' first birthday! They had so much fun with their cake that they went straight to the sink for a bath. Tall ships showed up in Morro Bay - field trip! There's a classic AJ photo; he was a bit overwhelmed by the event. On the other hand, it was an "exciting day at sea, sir," for the bigs.

## March 2013

Not a bad Easter photo of all the grandkids! It proves difficult to get eight in sync most of the time.

## April 2013

Lynn and Jamie visited the Reagan Library and other sites in the Simi Valley area - like the Santa Susana Depot and the Strathearn Historical Park.

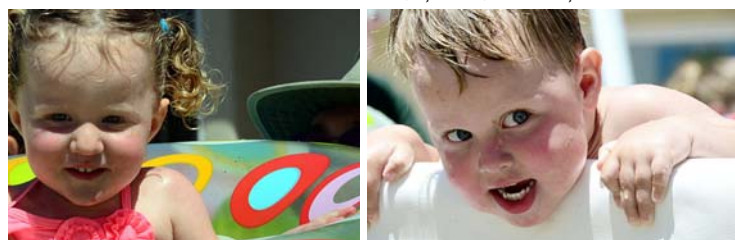

It was a big month for Serafina. She was cast and filmed for a TV commercial (in the van with "Mom" at the wheel and the director) and Sound of Music rehearsals began in earnest (she played Gretl).

## May 2013

Hannah and William's birthday party in Nipomo!

## June 2013

Sound of Music closed. What a great experience.

## July/August 2013

Summertime brought the beginnings of a great deal of bike riding. Here is an early-on practice session at a church parking lot and a play day at a park.

Rehearsals got underway for next Spring's production of *Beauty and the Beast*. Serafina plays Chip (the teacup). This pic is from a demonstration performance in the Village.

## September 2013

September was another fairly quiet month, as long as you don't count

back to school, that is. For Jamie, it's a month running up to the Central Coast Railroad Festival. Look who made the cover of Central Coast Family magazine for an article about the railroad festival.

## October 2013

It just would not be the same without a trip to the Nipomo Pumpkin Patch!

And oh my gosh, did we have a Halloween bash...

## November 2013

Serafina sang "When You Believe" (from Disney's "Prince of Egypt") for their school's Celebration Gala with over 600 people in attendance. They raised over \$300K for their new school that night. And no Fall would be complete without the Great Pumpkin Roll.

## December 2013

We were busy this Christmas season. You'll have to go check out [JF2.com/lynx](http://JF2.com/lynx) and [CompoundLiving.com](http://CompoundLiving.com) to see it all - tons of concerts, recitals, performances, etc.
