

This workforce solution was funded by a grant awarded under Workforce Innovation in Regional Economic Development (WIRED) as implemented by the U.S. Department of Labor's Employment and Training Administration. The solution was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This solution is copyrighted by the institution that created it. Internal use by an organization and/or personal use by an individual for non-commercial purposes is permissible. All other uses require the prior authorization of the copyright owner.

Statewide (Space) Education and Workforce Collaborative

Co-Chair:

Dr. Bruce Gardner

Principal Director, Learning Systems Center

The Aerospace Institute, The Aerospace Corporation

Background

- Space Education/Workforce working group established 1998 – Space Strategic Plan
- Space Education/Workforce Collaborative established 1999 – support Plan implementation
- 2006 – Space Education/Workforce Collaborative responsibility moved under California Space Education & Workforce Institute

EWD Overview

Stakeholders drawn from:

- Industry
- Government employers
- Public education system – all levels
- Private education system – all levels
- Informal science community
- Consultants and support organizations

EWD Purpose

- Develop Education/Workforce element of California Space Enterprise Strategic Plan (currently planning 2007-09)
- Manage implementation of Education/Workforce element of Plan
- New for 2006 - 2009:
 - Serve as a broader inter-industry education/workforce collaborative for WIRED
 - Recruit more industry/university stakeholders for Employer/University Consortium (sub-set of EWD Collaborative)
