

This workforce solution was funded by a grant awarded under Workforce Innovation in Regional Economic Development (WIRED) as implemented by the U.S. Department of Labor's Employment and Training Administration. The solution was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This solution is copyrighted by the institution that created it. Internal use by an organization and/or personal use by an individual for non-commercial purposes is permissible. All other uses require the prior authorization of the copyright owner.

AEROSPACE COMMUNITY DEVELOPMENT PROGRAM

Mentor Match Program: Correspond with a student aspiring to work in the aerospace industry using an Internet-based matching service. We will match you with a student based on the results of an on-line survey that both students and mentors fill out. After introductions and general discussion of expectations, you and your student will be able to communicate.

www.icouldbe.org/csewi

For more information contact Teresa.Henderson@csewi.org.

Space Space Blog: A fun, quirky, creative and smart blog that provides the opportunity for students and new space professionals to network and discuss areas of interest and importance to the aerospace industry.

www.csewi.org/blog

For more information contact Randall.Echevarria@californiaspaceauthority.org

California Space Enterprise Speakers Bureau: An elite group of new space professionals and seasoned space professionals with a passion and desire to inform and inspire the public on space activities in California. We are looking for individuals who are knowledgeable, able to bring presentations to life and inspire informational discussions with the groups they address.
