

What's Your Super Power?

Let the rest of us tell you what your Super Power is, for Christmas!

Grab a marker and get to putting appropriate Super Powers on each person's Christmas Ornament. Each is named.

There are suggestions on the chain strung from one side of the slider doors to the other.

Feel free to come up with your own as well.

Sometime tonight we'll let everyone read their own ornament. And take it home, of course.
