Encouragement

THIS IS FOR YOU

Hopefully you have seen my notes in our chat on Church Center about upcoming logistics as we enter the last few weeks of this season. If not, please take a look. As we head into the last few weeks, logistics aside, let's make the most out of the time we have. Think through ways you can be intentional with your group. Have you done anything outside of group this season? Have you made time to celebrate anything? Have you met up with anyone 1 on 1? Do you feel that your group has gotten to know one another better? Are your conversations getting "deeper" as the weeks go on? Wherever your group finds itself, have fun and look for opportunities to increase connection to one another and to God over the next few weeks.

Icebreaker

GET TO KNOW EACH OTHER

- If you had to delete all but 3 apps from your smartphone, which ones would you keep?
- Where would you time-travel, if it were possible?
- As a child, what did you want to be when you grew up?

Scripture

WHAT DOES GOD'S WORD SAY?

"When a Samaritan woman came to draw water, Jesus said to her, "Will you give me a drink?" The Samaritan woman said to him, "You are a Jew and I am a Samaritan woman. How can you ask me for a drink?" Jesus answered her, "If you knew the gift of God and who it is that asks you for a drink, you would have asked him and he would have given you living water."

John 4:7-10

Main Points

WHAT ARE THE MAIN TAKEAWAYS?

- First we belong to Christ, then we belong to each other
- There's a difference between being present and being engaged
- Our belonging is contingent on our accepting of Jesus

Questions

GET THE CONVERSATION GOING

- Do you struggle being engaged, at work, home, church? What makes it difficult for you to engage?
- Do you struggle with believing that you belong? (At work, home, church, with friends, etc..?)
- What stands out to you most about Jesus' conversation with the samaritan woman?

Announcements
